- Celery Root
- Spaghetti Squash
- Kider Mushrooms

Oh, did I have my daily dose of veggies today??

Wild & Wacky Vegetables

The beet is the most intense of vegetables. The radish, admittedly, is more feverish, but the fire of radish is a cold fire, the fire of discontent, not of passion. Tomatoes are lusty enough, yet there runs through tomatoes an undercurrent of frivolity. Beets are deadly serious.

— Tom Robbins

Some Diseases

| Vegetable | Disease |
|-----------|------------|
| Beets | Beetroot |
| Carrots | Carrotroot |
